## EXPLORE A WORLD OF BEAUTY

With up to 120 brands and 12,500 beauty products, we are sure you will find not only your favourites, but also the very latest products - all at great value prices.

Choose from a wide selection of fragrance, skincare and cosmetics products from all the leading brands. Discover our range of niche fragrances in store, plus explore our range of selected fragrance lines where you can save up to 40% off.

If you are simply looking to treat yourself, or are looking for that perfect gift, we have lots of unique products in store that you just can't buy on the high street. Don't forget our expert staff are on hand to help guide and advise you.

As well as an amazing range of great value products, you will find a host of free services to take advantage of. Why not 'try before you buy' or relax with one of the many beauty services on offer.

Our in store specialists offer skin consultations, make-up tutorials, hand massages, mini facials and a whole lot more. Each treatment usually takes **between 2 and 10 minutes** so you'll still have plenty of time to complete your shopping before your flight.
